CHAMBER CHATTER

FROM THE DESK OF THE EXECUTIVE DIRECTOR

As you can see from all of our past, present and future activities, we are moving & shaking. The events that we've created for you are a great way to take advantage and network with your fellow Chamber members and promote your business. We have a great summer planned. Laura is working triple time to help us grow. I also want to welcome the MOB (Middletown Operated Businesses) members into our Chamber who have merged with us. We look forward to working with and for these new members. We are honored to have them be a part of us. As mentioned before, our goal is 400 members by the end of 2017. If you have any potential-member leads, please call our office @ (502) 245-0404 so that we can follow up with a personal phone call and/or visit.

The annual Easter Egg Hunt and Blood Drive were a great success. 21 teams have signed up for the upcoming golf scramble on 5/15/17. However, there is still time to sign up, sponsor a hole, donate items for the reception following the scramble or volunteer to work that day. All proceeds raised go to Life Adventure Center, a 501(c)3 charitable organization which helps Veterans and their families with PTSD. Plans for the Middletown Hoedown, on 6/9/17, are coming along great with a pig roast and all the sides along with square dancing. Tickets will be available soon in the Chamber office for \$20 or at First Baptist Church (see Dr. Cobban).

Wishing you a great Derby and summer. Make sure to check out our upcoming events and speakers in the months to come.

Forest Springs is a full continuum senior-living community, which is part of Trilogy Health Services. Trilogy owns and operates 106 campuses across the Midwest, and Forest Springs is one of five locations in Louisville. Forest Springs offers independent living villa patio homes, personal care suites, and skilled nursing suites for long-term care and short-term rehab. Rehab includes inpatient and outpatient options for physical, speech, and occupational therapies. Forest Springs, located at the corner of Westport Road and LaGrange Road east of the Gene Snyder, will be celebrating their two-year anniversary this month. They pride themselves on providing their residents and customers top-notch customer service, five-star fine dining, and one-of-a-kind programming.

Allison is a graduate of Georgetown College with a double-major in Communications and Spanish. She is currently pursuing her Master's in Conflict Management from Sullivan University (graduating in June). She has been working in senior living for about seven years, and specializes in independent living and new construction communities.
